Dear School Administrator:

The Pop Warner Little Scholars (PWLS) Program is the oldest and largest youth football, cheerleading and dance organization in the United States. What makes PWLS unique among other youth sports organizations are its requirements for participants to maintain satisfactory progress in their academic studies. Our goal is to build sound minds and bodies for our leaders of tomorrow.

While we realize not all of our participants meet our scholastic standards, we are taking steps to monitor their grades and help them improve in their scholastic areas of difficulty. We do not want to penalize any of our participants by not allowing them to take part in the program, so we are asking you, the school officials, to help us monitor the progress of these children so that they maintain a minimum standard and understand the value of academics in conjunction with athletics.

Please take a moment to fill out the section below.

BY SIGNING THIS FORM, YOU AND/OR YOUR SCHOOL WILL NOT BE HELD ACCOUNTABLE FOR THE PARTICIPATION OF THIS CHILD.

This is just a step in the right direction for aiding and assisting these children at both the school level and the recreational level.

Thank you for your support.

GRADE CONVERSIONS

*To print a complete list of grade scales and their numerical equivalents please print the "Grade Scale Report" found on the "Additional Reports" menu.

NOTE:

If an actual 100% numerical grade scale is used, do not convert any of the grades. For example, if a 92 is documented, don't convert to A-, then to 93. Converting numerical grade, to a letter grade, then back to a numerical grade will be considered deliberate falsification of information and will be disqualified.

*If a proven local grade scale is used to convert grades, that scale can be used. Sufficient proof must be presented in order to receive consideration for that grade scale.
